Winemaker Notes: Our vines were farmed meticulously maintaining the proper number of clusters for each individual shoot. This technique produces a very intense wine that captures the flavors of our site.

The 2015 Cabernet Sauvignon shows great depth and structure with purple hues and a rich texture of velvety tannin. There are aromas of dust, blackberry, anise, cocoa and wood smoke which continue on the palate with the lingering flavor of black cherry.

Optimum storage conditions: constant temperatures 55 to 58°F, darkness

Aging potential: To enjoy young fruit aromas, consume within 1 to 3 years of bottling date. For extended aging under ideal conditions, consume within 3 to 10 years of bottling date.
