Winemaker Notes: Our Chardonnay under the Falcone Family Vineyards brand is a supple wine with great structure, yet produced in a style that we appreciate given the cool climate conditions. The wine is a refreshing break from many of the current heavy handed California Chardonnay wines.

A swirl releases clean mineral aromatics, citrus blossom, dried lemon and white grapefruit zest. The layers of flavors are broad in the mid-palate with a reminder of pippin apple that leads to a long, juicy finish. The lasting impression is mouthwatering.

Optimum storage conditions: constant temperatures 55 to 58°F, darkness
Aging potential: To enjoy young fruit aromas, consume within 1 to 3 years of bottling date.
