Winemaker Notes: Only four barrels of the 2013 Cabernet Sauvignon were made, from a rocky corner of our estate vineyard. These specific vines are farmed for the highest quality to encourage more intense flavors. Extended aging, totaling 30 months, enhances the mouthfeel and aromatics characteristic of our vineyard.

Aromas of dust and cocoa powder are noticed before black cherry and anise appear, with hints of caramel, vanilla and toasted pecans following. Ample but soft tannins provide body and a long finish.

Optimum storage conditions: constant temperatures 55 to 58°F, darkness.

Aging potential: To enjoy young fruit aromas, consume within 1 to 3 years of bottling date. For extended aging under ideal conditions, consume within 3-10 years of bottling date.
