Winemaker Notes: Only two barrels of the 2012 Cabernet Sauvignon were made, from a rocky corner of our estate vineyard. These specific vines are farmed for the highest quality to encourage more intense flavors. Extended aging, totaling 28 months, enhances the mouthfeel and aromatics characteristic of our vineyard.

Black cherry and anise dominate, but hints of caramel, vanilla and toasted pecans appear.

Optimum storage conditions: constant temperatures 55 to 58°F, darkness

Aging potential: To enjoy young fruit aromas, consume within 1 to 3 years of bottling date. For extended aging under ideal conditions, consume within 3-10 years of bottling date.
